ABOUT ME

I am Sufiyan, the founder of Sufiyan Web Marketing. I am a freelance digital marketing professional with 4 years of hands-on experience helping businesses grow online. I have worked with a wide range of industries including travel (B2B & B2C), manufacturing, salons, gyms, electronics, local shops, and more — delivering complete digital solutions from strategy to execution.

SERVICES I OFFER

- Website Design & Development
- SEO (Search Engine Optimization)
- Facebook & Instagram Ads
- Social Media Handling
- Google My Business (GMB) SEO & Setup
- Logo Design
- Banner Design
- Visiting Card Design
- Wedding & Anniversary Card Design
- WhatsApp Marketing

WHY CHOOSE ME

- 4+ years of proven freelance experience across diverse industries
- End-to-end service: design, SEO, ads & social media under one roof
- Personalized attention with direct, reliable communication

INDUSTRIES I HAVE WORKED WITH

Travel (B2B & B2C) | Manufacturing | Salons | Gyms | Electronics | Local Shops | And Many More

WHY CLIENTS TRUST ME

- Very affordable pricing - honest rates, no overcharging
- No GST charged - the price I quote is the final price
- Quality-focused work - I focus on results, not shortcuts
- No advance payment needed for 90% of my services - you pay after you're satisfied
